Dear Friends in Christ

I hope that your faith has been lifted by reading the stories about our 2011 students. God has blessed us with students and staff with amazing gifts this year. I have been personally encouraged by this and want to once again thank you, our friends, for your continued financial support, without which the College could not continue.

As the students offer their gifts for the Lord to bless and transform them, each is learning what it means to be a true disciple of Jesus while being supported by experienced staff in an environment of love, faith and stability. It will be a year graced in the experience of truth; personal transformation, inner healing and freedom.

For this wonderful ministry to continue, the College is dependent on the generosity of people like you. The donations we receive provide the financial security needed for ensuring future growth. Early indications based on enquiries received and interest shown in the Catholic Discipleship College, indicate that 2012 will be a year attracting many more students than previous years. As we look forward to what this may mean in terms of future funding, I am reminded of a saying by St Theresa of Avila- "Theresa alone can do nothing. Theresa and God can do many things. Theresa, God and money can do anything!"

Thank you for responding so generously. We are immensely grateful for each gift we receive and will continue to lift you up in our prayers of intercession at our daily Mass.

God Bless

Fr Neil Vaney sm, Pastoral Director

YES I/we are pleased to support your appeal through the Southern Sun.

Our most important need is for your prayers that we follow God's will in all that we do at CDC in 2011. Secondly please pray for our students that they "grow in grace before God and man." Our third need is for your financial support. No contribution is too small. (Please include your contact details so you can receive a tax deductible receipt.) We remember all our benefactors in our daily Mass. In our monthly newsletters you will be able to follow the progress of our students this year and see how your contribution is being used.
